Patent No. 6,196,291

Issued: March 6, 2001

LETTER

It has been uncovered that small entity status was inadvertently claimed when paying the eighth year maintenance fee for Patent No. 6,196,291. Accordingly, to ensure that payment of large entity fees is effectuated, enclosed herewith is a check in the amount of \$1,300.00.

The small entity maintenance fee of \$1,180 was paid with the submission of the maintenance fee payment. The submission of the additional \$1,300.00 is the difference between the large entity filing fee and the small entity filing fee that was paid. Thus, the large entity filing fee has been paid in this application, and Applicant revokes its previous small entity claim.

Respectfully submitted,

Ren JudkinsDate: December 29, 2010
